Fire Insurance Premium	Rate/Fee:
Fire Insurance Premium Fire insurance premium tax revenue is received from the state annually. The state levies a tax on fire insurance premiums collected by insurance companies on property located within incorporated cities and towns. A portion of the tax revenues are apportioned to all municipalities on a pro-rata basis determined by their share of the full cash value of property in all incorporated cities and towns which have a fire department, a fire district or contract for fire services. Because Scottsdale contracts for fire services with a private company, the city currently receives an amount equal to 30 percent of its apportionment as prescribed by the state statute and citizens are charged .66% tax on insurance premiums instead of 2.2%. Authority: A.R.S. 9-951 through 9-973	0.66% of gross amount of fire insurance premiums Effective: 07/01/2004

Highway User Tax

Rate/Fee:

Highway User Tax

Distribution of all monies credited to the HURF fund from multiple sources, including Vehicle License Tax, fuel taxes, motor carrier fees and use taxes. Distribution is based on a complex formula proscribed by law. Cities and towns receive 27.5 % of the highway user revenues. One-half of the monies is distributed on the basis of the municipality's population in relation to the population of all incorporated cities and towns in the State. The remaining half is allocated on the basis of "county of origin" of gasoline sales and the relation of a municipality's population to the population of all incorporated cities and towns in the county. 3% of the State portion of this fund is directed to cities with a population of over 300,000. Also, 6.36% of the State portion is allocated to certain projects in Maricopa and Pima Counties.
